Below the header, there is a light green box containing several fields and buttons. At the top, there is a blue text label '\* Competition Location' followed by two buttons: 'Select Location' and 'Register To Private Center'. Below this, there is a blue text label '\* School Grade Level' followed by a dropdown menu. At the bottom, there are three text labels: '\* First Name', 'Middle Name', and '\* Last Name', each followed by a horizontal line for input.

It will ask for Manager Registration Code:

The screenshot shows the '2016 Math Kangaroo Registration - Private Location selection' page. The page has a green header with the Math Kangaroo logo and the title. Below the header, there is a light green box containing text and a form. The text reads: 'You can register your student to a private center only using a code received from the center's manager. The manager has a right to cancel this registration if the code was used to register a student unaffiliated with the center. Please provide a code below, click Find Center button, check the center info and confirm your choice.' Below this text, there is a blue text label 'Manager's registration code' followed by a white input field with an asterisk inside. To the right of the input field is a button labeled 'Find Center'. Below the input field and button is a button labeled 'Cancel'.

Use this registration code:
