

The Nyack College Opportunity Golf Classic

has been a popular tradition for more than a decade. We are excited to announce that our 2015 event is relocating to the historic Saint Andrew's Golf Club in Westchester County. Saint Andrew's is America's oldest continuously existing golf club and is recognized as the first host of the U.S. Open and a founding club of the USGA. Today's course, with updated designs by Jack Nicklaus, is highly regarded by both professionals and amateurs.

Why We Golf

The Nyack College Golf Classic is a signature event that invites golfers and non-golfers to rally around a tremendous opportunity with us—to invest in young men and women pursuing higher education. Thirty-six percent of Nyack's students are the first from their family to attend college. Fifty-two percent have significant financial need as determined by the government. Your participation in this event provides you and your guests with a wonderful day of golf. More importantly, proceeds will benefit our students who are emerging leaders preparing to serve others in local and global communities.

The Orville H. Mann, Jr. Community Business Leader Award

Orville H. Mann, Jr. served as chief legal counsel for Nyack College for more than four decades. Each year, the award established in his name is presented to a trailblazing businessperson in recognition of the individual's exemplary service and loyal partnership with Nyack College.

This year, Nyack College acknowledges Mr. Rob Rino of Rino Paving & Construction, Inc. Mr. Rino began working with the college twelve years ago. During this time he has transformed many areas of our historic and majestic campus. His attention to detail and commitment to excellence has set a tone for our campus and its one-of-a-kind Hudson River views. Rob, his wife, Melissa, and their staff have treated our campus property like it was their own home. They are partners in our commitment to maintain and enhance our beautiful Rockland County location.
