Yes, Your Hormones Are Making You Fat!

FREE SEMINAR

at Sarasota Specialty Pharmacy

Dan Watts, MD,
Medical Director
at the Renewal Point

Join us on **Thursday, January 28, 6:30-7 p.m.** as **Dan Watts, MD**, Medical Director at the Renewal Point, will demystify why you diet and still can't lose weight. His talk, **"The Hormone Connection to Weight Loss"** will show you what contributes to yo-yo weight fluctuations and how hormones can make it or break it when it comes to weight loss. Almost everyone who has a weight problem has hidden imbalances, making it practically impossible to lose weight.

January 28 at 6:30pm

The seminar is at **Sarasota Specialty Pharmacy**, 6:30-7:30 p.m. *(Please note the earlier start).*

This **FREE** seminar is open to men and women.

Space is limited so RSVP to
