

Solar Xmas Special!

\$1000 cash back to
the business owner

For orders placed before the end of 2015

Conditions apply. Contact us for details

Summer season is the solar
season! The summer months
produce 50% more free power
than the yearly average.

- Panels quality tested by the Australian Solar Council
- New technology inverters with extended warranty
- Back to base monitoring of each panel's output
 - Accurate financial analysis
 - Leasing or rental
