

## **Armor All Professional Extreme Shine Wax In Bay Signage**

Use the value of branding to upgrade your self-serve bays and attract more customers.

Upgrade your self-serve foaming conditioner or wax gun to ArmorAll Professional Extreme Shine Wax. High foaming, purple in colour and with a pleasant grape fragrance, your customers will be mesmerised coating their cars in Extreme Shine Wax. The results will speak for themselves, an incredible shine that will have your customers coming back for more. A great opportunity to give yourself a competitive advantage over other washes in your area that haven't caught on yet!

Having the product is one thing, using the value of ArmorAll Professional branding is important to gain credibility and get your customers to "give it a go" for the first time. Our in bay signage is printed on durable plastic, easy to install and will let your customers know that you are providing them with the best known brand in automotive appearance.
