Mississippi Nurses Association dues are not deductible as charitable contributions for tax purposes but may be deductible as a business expense. However, that percentage of dues paid for lobbying (15%) is not deductible as a business expense. \$5.42 of MNA member dues is for a subscription to *The American Nurse*. \$20.00 is for a subscription to *American Nurse Today*, \$18.00 is for a subscription to *The Mississippi RN* and *MNA Members Only*. Members may not deduct the subscription price from dues.

Cancellation of membership must be made in writing a minimum of twenty (20) days prior to next scheduled dues payment. Membership is an annual commitment. Early termination of monthly payment plan will result in balance of yearly dues payable upon cancellation.

No one takes care of business, like a nurse

Nursing is one of the fastest developing fields in Mississippi. No one could possibly keep up with the business trends, career changes, professional development and critical advancements alone. The Mississippi Nurses Association is in the business of taking care of nursing's business. MNA provides valuable career services, professional development, networking and social events. Our members enjoy many benefits of association. Here are just a few:

Keeping up with the trends and changes. The association sponsors the Annual MNA Convention in October and the Statewide Nursing Summit each January. Both events focus on current professional and legislative issues related to Mississippi nursing, while presenting new and up-coming products, services, issues and developments in nursing. Throughout the year, there are seminars and workshops tailored to meet Nursing's specific needs, all at a discount to MNA members. MNA publishes the bi-monthly newsletter, *MNA Members Only*, and the quarterly newspaper, *The Mississippi RN*. The MNA Web site MsNurses.org posts current articles, news, calendar of events, continuing education opportunities and a career center for current job opportunities.

Meet and network with other nurses. Membership provides many resources to assist RNs in advancing their careers. Members, not only get information and support, but show an impressive commitment and a genuine interest in their profession. Participation has power. You can build a powerful network of skilled professionals who can serve as personal mentors and problem solvers.

Inside job and internship opportunities. MNA partners with leading healthcare agencies and employers throughout the state. Members have several ways of capitalizing on these partnerships to learn about job opportunities and new developments in the profession.

National connections. With your MNA membership comes membership in the American Nurses Association. ANA provides you with access to the award winning Web site, NursingWorld.org. Free online access to *OJIN*-the Online Journal of Issues in Nursing; *ANA Smart Brief*- an electronic daily news feed; ANA's online newsletters including-Capitol Update and Nursing Insider, and the traditional, *The American Nurse*, a prize winning bi-monthly newspaper. Your savings for subscriptions alone is more than \$40. You'll also save up to \$140 on American Nurses Credentialing Center exams. ANCC certification is offered to associate, diploma, bachelors and master's prepared nurses. And, you have the option of taking professional liability insurance through MNA's and ANA's collaboration with Mercer Consumer.
