

Stop the Gun Violence Prayer Chain group of Wilmington, Delaware is in need of a minivan or station wagon for their ministry. As long as the vehicle is in running order, there is no other requirement. The vehicle is needed for helping to transport children and others. This donation would be tax deductible.

If you have a vehicle or know of someone who does, you can contact Sister BJ at the Interfaith Resource Center – resource.ctr1@gmail.com.

This is one of many groups that is actively trying to make a difference concerning the gun violence that is happening on a daily basis in the various areas in our city of Wilmington.
