

Message from the Incoming Governor

Hello fellow Lions. A new Lions year will begin on July 1, 2015 and our newly elected Officers, Directors and Zone Chairman will be taking over their respective positions, including myself as your next District Governor. I hope all officers and Zone Chairman have taken advantage of the training available or plan to do the training online.

I have also been training, taking online courses thru Lions Clubs International and visiting clubs in our district with DG Randy Croom, as well as visiting clubs on my own, preparing for the coming year. We have had the best training of any previous leaders and I know we will have a great year. Please feel free to contact me at any time if there is anything I can do for you or your club.

Let's all strive to have fun serving our communities and helping others. Be sure to publicize your activities and projects. Lastly, don't forget to invite others to participate; membership growth remains our biggest challenge.

Sincerely,

DGE Bob Cherinko
