

A Night to Benefit Sight and Hearing

The *Night for Sight and Hearing*, a fundraiser hosted by three local Lions Clubs, provided a wonderful evening of Gospel music, fellowship, and opportunities to fund community service. The Blythewood, Columbia Northeast and Greater Irmo Lions Clubs combined their efforts to bring about this event to raise awareness and funds for serving their communities' needs for sight and hearing.

Joe Pinner, local tv personality, served as emcee for the musical event. God's Tool Box, a quartet from Batesburg-Leesville, headlined the event in support of the Lion's fundraising venture. Joining the evening performances were Candi Cameron and Ron Wyatt of Great Falls and Doug Hudson from Columbia. Along with a silent auction and door prizes everyone enjoyed delightful snack foods and desserts. The Lions thank all who attended or helped make the event a success!
