

2014-2015 Plans are Underway

Fellow Lions,

We have just had our first council meeting and I am very excited about the way these three councils are working together to make a difference in our state for the betterment of our communities and our Lions organization. Our District Conventions are being will planned and organized. I am including a chart of when and where each District Convention will be held this coming January and February. Put these dates on your calendar now and plan to attend. Please try not to put other club events on these dates. We want all Lions to attend these conventions.

I would like to see more Lions attend our District Conventions. These events are for all Lions. Actually, I would like to see more Lions attend not only their own conventions but others as well. I know the costs involved may be a factor, and we can't vote in their

cabinet meetings, but we do get to meet a lot of great Lions and get a lot of great ideas we can use in our own clubs.

The Multiple District Convention will have a whole new look this year. We are including many sessions to help Lions grow as Lions and grow their clubs. We are having a fun night on Friday, breakfast with our International President on Saturday morning, and many opportunities for you to network and meet new Lions friends. Please *make it a point to attend* your District and MD Convention.
