

PDG Brian P'Pool

Wishes to thank the following for their special contributions to this year's convention:

A large, faint watermark of the Lions International logo is centered in the background. It features a lion's head in profile, facing left, with the word "LIONS" arched above it and "INTERNATIONAL" arched below it. In the center of the lion's face is a large, stylized letter "L". A registered trademark symbol (®) is located at the bottom center of the logo.
