

What is your vision for South Carolina Lions?

Greetings Fellow Lions,

What a privilege and honor it has been to serve as Council Chair for the Lions of South Carolina. A special thanks to the four outstanding District Governors who elected me to this high office. Thank you.

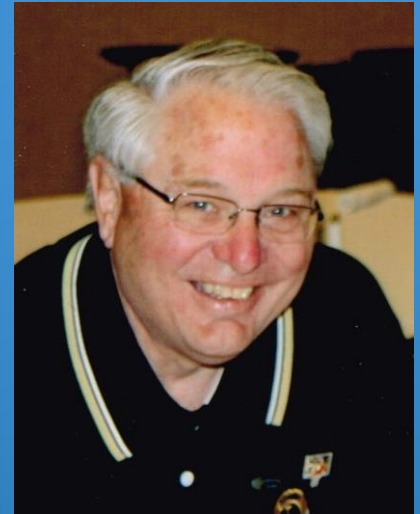

As many of you know, this council and I had a very unique experience. After working together for two years as trainer and trainees they choose to keep me on and become their Council Chair. That has never happened before. But be very sure that I am grateful that it did happen.

We have many challenges ahead of us in the years to come. How we meet those challenges will be determined by our commitment to our motto, "We Serve." With a deep commitment and a clear common vision of what we want South Carolina Lions to be, we can have a growing and dynamic group of **"Loving Individuals Offering Needed Services."**

What is your vision for South Carolina Lions? Do you see yourself and your club as an island unto itself? Or do you see yourself and your club as part of a world-wide organization meeting the humanitarian needs of the world? South Carolina is a part of that world.

As this Lions year comes to a close and we get ready to start a new one, let us commit ourselves to grow in numbers and to grow in our spirit to serve.

CC Joe

Joe Pitts, PDG
Council Chairperson
Multiple District 32
2014-2015
