

A Time of Thanksgiving

Thanksgiving is a time for reflection, celebrating, and sharing the bounty of the harvest.

As Lions we reflect on all the fundraisers we do: the golf tournaments, the pancake breakfasts, the barbeques, the broom sales, and the candy we give away.

As Lions we share the bounty by giving the gift of sight, by collecting eye glasses, paying for eye and hearing exams, by donating to Storm Eye and SCLCS, and doing vision screenings. We give the gift of mobility by supporting Leader Dog and building wheelchair ramps for folks in our community. We give the gift of education by providing scholarships to local students. We provide food to students in need thru Back Pack Buddies and donating to food pantries.

We celebrate our Lions contributions by ASKING our neighbors, our church friends, our businesses acquaintances to join our club. For every person that joins there are 2 more hands to serve.

In this issue is the Registration form for our 32 A District Convention January 9-10 in Greenville. There are many exciting changes happening at his convention. There will be more breakout sessions on Saturday which will give us all an opportunity to learn and grow as Lions. This is an opportunity to join all the Lions as District 32 A to Reflect, Celebrate, share all that we as WE SERVE.

Blessings to you and yours during this season of Thanksgiving!
