

Celebrating 127 Years of Lionism

At the recent MD32 Convention two longtime Lions met and celebrated their years of serving. Lion Ellis Stockman of the Batesburg-Leesville Lions Club met PID Franklin Mason, a member of the Mullins Lions Club. Lion Ellis recently turned 100 years old and touts 65 years of perfect attendance in Lions. PID Franklin is 90 years old and has 62 years in Lions --- what a wonderful legacy to share and reach for! Congratulations to both of these special lions.
