

91st SC Lions State Convention

Fellow Lions.....Mark your calendars for March 26-29, 2015 for the 91st South Carolina Lions State Convention to be held in Myrtle Beach at the Ocean Dunes Resort on Ocean Blvd. That is a beautiful time of the year to be at the beach so make your plans to join us.

Council Chair Joe Pitts plus the Council of Governors are planning different activities from previous conventions , especially in the area of training seminars so it will not only be fun to be with your fellow Lions but also informative. Our special guest will be International President Joe Preston. What a privilege it will be to meet and hear from Lion Joe.

More information will be published soon but for right now, please do three things:

- Again, mark your calendars for March 26-29, 2015.
- Soon your District Leadership team will have advertizing forms so please help them by selling ads for our printed program or by having your club sponsor an ad. This will help us defray costs so the convention will be more affordable for all Lions.
- Start thinking of some type of donation for the “silent auction” that you or your club can make. Again, more details later on this special fundraiser.

If you have questions or suggestions, please call me at 843-444-4081 or e-mail to bppool@sc.rr.com.
