

### Unique Gift Presented to IP Joe Preston

During the MD32 Convention PDG Paul Hinson presented a unique walking cane to International President Joe Preston. Having a sitting International President visit us in South Carolina is a special treat. IP Joe and his wife, Lion Joni, were returning from a visit with the Pope in Rome before heading to Myrtle Beach, South Carolina. The cane was all wood with a hand carved Lion's head at the top. IP Joe posed with PDG Paul to capture the special moment.
