

Blythewood Lions Receive Membership Awards

At a recent Blythewood Lions Club meeting, Lions Rhett Hair and Bob Cox received recognition for membership growth. Both lions received the Silver Membership Growth Award Pin and a letter of appreciation from 2013-14. International President Barry Palmer for bringing new members to Lions in April 2014. "Membership growth strengthens clubs and increases our capacity to serve as Lions -- more members means more service. Each

act of service brings us one step closer to our dream of service for all", stated IP Palmer in the letters.

This new Lion's year has another special membership pin being offered for Lions who sponsor new members during October - so all lions -- please just ASK1.

Pictured is Lion Melody Hair, club president, pinning the two deserving Lions.
