

## Catawba Region Lions Club Signs Charter

On October 7<sup>th</sup>, DG Randy Croom and 1VDG Bob Cherinko had the pleasure of attending a meeting of the Catawba Region Branch Club. A high light of the meeting was the signing of the “Charter” application. The charter was approved on October 16, 2014 as the newest club in District 32-C.

The Catawba Region Lions Club is an all-female club, the first in the District. It consists of 21 members from the Lancaster area. As another first, one of the Certified Guiding Lions comes from a neighboring district. Lion Hope MacBride will be serving along with Lion Freddie Ann Hutchens as Guiding Lions.

The Greater Lake City Lions Club is the sponsoring club. Its goal was to continue to achieve diversity by example.
