

DR. FRANKLIN MASON ISSUES CHALLENGE TO INCREASE INDIVIDUAL FRANKLIN MASON FELLOWS

Lions Year 2013 – 2014 was a banner year for individuals becoming Franklin Mason Fellows through their donations to the SC Lions Foundation. Thirty-one (31) Lions from across the state donated a minimum of \$1,000 or more (either at one time or cumulatively) and in recognition, received the second highest award possible from the Foundation.

Dr. Franklin G. Mason, namesake of this prestigious award, was also thrilled about the number of new individual Franklin Mason Fellows received during the soon to be completed Lions Year. To continue this momentum into Lions Year 2014 – 2015, Dr. Mason has pledged that, if SCLF receives a minimum of ten (10) individual Franklin Mason Fellows at \$1,000 each (no club donations) between now and December 31, 2014, that he will match these gifts up to \$10,000. However, SCLF must supply proof to Dr. Mason that we indeed have received ten individual \$1,000 donations to receive the match.

If you have ever have considered joining in this prestigious society, now is the time to do it. It's like doubling your donation overnight! Can't afford to contribute \$1,000 at one time? SCLF can help you develop an investment plan that can help you reach your goal by December 31st. Contact SC Lions Foundation Development Director Mary Louise Resch at 803.667.0660 or mresch@sclions.org for more information.
