A Residential Retreat Thursday Evening Through Sunday Morning at the Beautiful Abbey of St Walburga with Father William Meninger May 14-17, 2015

Contemplation, or an unmediated experience of God in prayer, is common to virtually every religion. It is something that can be taught to persons who are receptively disposed. This retreat will look at examples of the contemplative experience and dimension as seen in a number of religions, especially in Christianity through the Cloud of Unknowing.
