**Behavioral Health:**  
**Parish Services**

In partnership with

*St Anne*  
Catholic Community

Alexian Brothers Parish Services carries out the healing mission of the Catholic Church as an Alexian Brothers ministry by identifying and developing effective responses to the health needs of those we are called to serve.

## Superflex<sup>®</sup> Academy

*Where Heroes Are Made, Not Born*

**Superflex<sup>®</sup> Academy** is for children (ages 7-11) who would like to become social heroes by developing their social thinking abilities. *Social thinking* is what we do when we interact with other people: we think about them. How we think affects how we act, which in turn affects our emotions. This social skills group offers a fun, motivating way to help your child become a social leader through:

- A social skills curriculum based on Super Heroes and "Unthinkables"
- Learning practical problem-solving strategies in difficult social situations
- Hands-on activities and role-playing with peers
- Projects that use technology to create social stories
