COMMITTEE NEWS:

From our Wellness Committee

Spring is in the air and so come the green thumbs! Many of our classrooms will be participating in the Wellness Windowsill Gardens again this year. We begin planting our leaf lettuce gardens this and our students will tend to these gardens over the next 6 weeks. Keep an eye out for our green gardens along the classroom and hallway window ledges!

A HUGE THANK YOU to Amy Zitella and her Saint Joseph's day committee of volunteers for keeping this tradition and making this day such a special day for the student's at Saint Anne's Parish School. It was very *sweet* of you!

COMMUNION PORTRAITS

If you are looking for a photographer, or you haven't booked a photographer yet for your First Communion portraits, Al Buschauer, of Buschauer Portraits in Barrington has some openings available.

Let Barrington's own Buschauer Portrait Design commemorate the significance of your child's First Holy Communion... through beautiful and emotionally compelling portraits... as they've done for so many other delighted St. Anne's families through the years. Go to their studio on your Communion Day or choose another time to enjoy a more leisurely experience.

"We were so happy with our experience with Buschauer Portrait Design for my two children who had their First Holy Communion portraits made there. Al knows how to relate to the children in a way I've never seen before. Our portraits are absolutely stunning. He's not just a photographer, but an accomplished artist." Nancy Sonogo

The Saint Anne Catholic Community cordially invites you to attend
