CAMBRIDGE, Ont. – Darcy Kells, a company driver with Logikor, was named the Fleet Safety Council’s Central Region Chapter Driver of the Year recently.

According to his employer, Kells is a dedicated driver who is always on time and follows company policies. He is also always more than willing to lend a helping hand and assist his team members whether they be drivers, dispatchers or managers. Kells started working for Logikor in 2008.

“To Logikor, the Driver of the Year Award represents someone who is a model of driving skills, behaviour, compliance and customer service for all drivers everywhere,” Logikor said in a release about the award. “Darcy is one of those guys. Darcy comports himself as a professional driver at all times and Logikor is proud to have him as one of (its) over the road representatives.”

As the winner of the award, Kells received a plaque, a leather/melton jacket embroidered with ‘Driver of the Year’ and a \$250 gift certificate to the Kitchener Harley-Davidson.
