Dear Friends of Lakeville and Salisbury,

The **Tri-State Chamber of Commerce** is once again planning another delightful year preparing for our annual holiday tradition, our **Adopt-A-Tree** program.

Our Adopt-A Tree program has been our area's signature holiday tradition for more than 12 years. This beautiful display adds immeasurably to the festive air and holiday spirit during this wonderful time of year. Anyone who drives through these towns during the evenings of the holiday season enjoys the benefits of these beautiful lighted trees.

Of course, none of this would be possible without the support of our friends and neighbors. We hope that you will want to be a part of this fabulous holiday event that our friends, family and the entire community enjoy together. We look forward to hearing from you.

With Many Thanks,

The Tri-State Chamber of Commerce-Board of Directors

*If you are someone who lives or owns a business along the streets of Lakeville or Salisbury, and would like to have a tree, please contact President Susan Dickinson before November 10th.*

***You will need an outlet to plug in the lights.***
