Indian Mountain School (IMS) and **The Hotchkiss School** are co-hosting the 2016 Tri-State Mini Maker Faire at Indian Mountain's Campus. Mini Maker Faires provide our community with a forum for creativity and conversation and feature science, technology, art and design. IMS and Hotchkiss have teamed up to provide the community with a day full of displays and activities that will challenge and delight participants of all ages. Open to the public; plenty of great food!

Come to INDIAN MOUNTAIN SCHOOL in Lakeville!
Sunday April 10th - 10 AM to 4 PM - Free!

Discover innovation at work here in our community!
