Form Tutor Comment:

Your appetite for learning shows no sign of abating Jaivik and this is another wonderful report. Not only is your work ethic huge but your respectful approach does you great credit. Arguably your biggest success story this term has come on the football pitch with your deserved elevation to the 3rd XI where you have become an integral part of the team. I was also pleased with your role in the anti-bullying rap as it was a challenge for you. Enjoy the break and rest well.
