

Parent-Child Program 2015-2016

Our Parent-Child Program is a wonderful way to introduce your child to a classroom experience, and for parents to learn more about the rich, developmental approach of Waldorf education. The home-like atmosphere of the program is calming and enriching for both the young child and the attending parent or caregiver. Classes include parent-child interactive games, child observation, craft activities, creative & dramatic play and a wholesome snack. The focus of the program is to enhance the parent's understanding of child development and to offer ideas for activities that can be done at home.

All snacks and supplies are included. Space is limited and pre-registration is required. We regret that due to demand for classes, we are unable to offer refunds or make-up classes.

This program is for parents and their children, toddlers to 3 years old. (*Children who turn 3 prior to September are not eligible for this program.*)

Classes meet on Fridays. The fee is \$180 for a 6-week session and \$150 for a 5-week session. For an additional sibling in same session, add \$50 (no charge for infants attending with older sibling.)

To ensure an enriching experience for families, a minimum enrollment of four families is required per age group. If a session is cancelled due to low enrollment, refunds will be issued to those who pre-paid. We are unable to offer discounts for classes missed due to illness, travel etc.
