

2015 is coming to a close – what a great time to look back over the year and take stock of our accomplishments!

**Rather than covering EVERYTHING, let's take a look at what the OWC's BLOG BUZZ has been this year – What have the most popular topics , concerns and issues been? I've highlighted the top 2 or 3 stories from each month, which you can look up and enjoy in the Blog archives.**

**January:** Logging / Linear Features

**February:** Transmission Lines / Film Project

**March:** New Emblem for OWC / How to Test Your Water

**April:** Headwaters Action Team / Safe Drinking Water in Lethbridge / Kids' Environmental & Social Awareness

**May:** New Provincial Government / May Long Weekend Impacts

**June:** OWC Celebrates 10 years/ Narrating Watershed PowerPoints

**July:** Invasive Species / Flood and Drought / Low River Levels

**August:** Protecting The Castle / Grassy Mountain vs Coal

**September:** Shoreline Clean-Ups / Outreach Assistants in the Headwaters / The Burmis Tree

**October:** Dutch Creek Restoration Event / Watershed Legacy Program

**November:** New Federal Government / First Green Drinks / Recreation or Wreckreation?

**December:** City of Lethbridge's River Valley Master Plan/ Introducing Our New Staff / Critical Habitat Protection

If you have an idea that you'd like to discuss – please call me anytime. We are looking forward to working with you on an exciting, productive new year of watershed research and projects.
