The Don Johnson Auto Group is proud to be celebrating 100 years in the Auto Industry! In honor of the 100th Anniversary, Don Johnson Motors will be hosting a free, family-friendly event with live music, free food & beverages, beer tent, bean bag tournament, bounce house, dunk tank, car show, giveaways (*including the lease of a new car!*) and much more!!

You are invited to help us celebrate our family, friends and community. We are incredibly grateful for the opportunity to be a part of the communities, which we serve.
