

SPEND SUMMER BOLD

Camp Galileo

PRE-K—ENTERING 5TH GRADES

Grouped by grade and nurtured by our incredible staff, campers take on art, science and outdoor activities tailored to their level, and they learn lasting innovation skills like collaboration and reflection. As campers grow, our curriculum evolves to include more advanced concepts, complex projects and creative freedom. Four fresh themes for 2016:

Space Explorers

Galileo Olympics

Galileo Makers: Toys

National Parks Adventure

Galileo Summer Quest

ENTERING 5TH—8TH GRADES

Galileo Summer Quest takes camp to the next level, empowering kids to dive deep into a subject area that inspires them. Mentored by expert instructors and equipped with professional tools, campers make short films, engineer catapults, whip up inventive dishes, or design custom video games. 2016 majors include:

3-D Modeling & Printing

Fashion Design

Chefology

Go-Kart Builders

Digital Photography

Launch Lab: Catapults

Electric Painting Studio

Mod Design with Minecraft®
