

Burlingame Parks & Recreation Department
850 Burlingame Avenue

Fall Enrichment 2015

The Burlingame Elementary Enrichment Program has consistently provided a variety of classes for students at all 5 of the Burlingame Elementary Schools. Classes are held at the school sites after school; children may attend classes at schools in which they do not attend during the regular school day. Children who take after school programs over the course of their lifetime consistently improve test scores in school, have better than average social skills, and tend to participate in less mischievous activities. After school enrichment programs have a proven benefit for your children, your family, and the community.

*Thank you for supporting the Burlingame
Elementary Enrichment Program!
Space is limited, register before classes fill.*

Register through the Burlingame Parks & Recreation Department one of the following ways:

Internet registration: Go to www.burlingame.org/rec

In person at the Burlingame Parks & Recreation Center

Please enroll your children in classes early to prevent class cancellations. Thank You.

Please see the activity guide for Department's Credit/Refund Policy

Check out the back page for information on
Elementary sports!

Fall After School Enrichment

TECHNOLOGY

Video Game Design for Beginners (age 8-12)

with Freshi Films

Learn how to create and design an original and interactive video game! Beginning Game Developers work with a partner to conceive, design and build their own original computer game. Everything created is original to the team and students use creative and critical thinking to complete their games. Students will develop a basic video game, with working characters, bad guys and interactive levels! Students work with Multimedia Fusion game development software to complete their projects.

8 classes

Location: McKinley Elementary School, 701 Paloma Ave, Burlingame

49180.01 W 3:10 pm - 4:10 pm 10/28-12/23 Omit: 11/11

Fee: \$97

PC Computer Animation (age 8-12) with Freshi Films

Young animators learn computer software techniques to create digitally animated characters and stories. In this class, participants will learn skills that help with computer drawing, character creation and movement, voiceover work and character interaction, and speech. In small groups, students will focus on learning introductory computer animation techniques and will create original characters and short animated stories.

8 classes

Location: Franklin Elementary School, 2385 Trousdale Drive

49188.01 M 2:10 pm - 3:10 pm 11/9-12/28

Fee: \$97

Jr. Space Pioneers (age 5-7) with Engineering for Kids

Embark on fun journey to space with Scratch! Send an astronaut to the moon and defend your moon base from space rocks. Learn how to use Scratch to create and program sprites, backdrops and basic scripts. Create a new program each day, leave with evidence of your wild space adventure, and be inspired to explore the universe of programming as a Space Pioneer.

Mystic Moppets Meditation (age 6+) with Deepti Jain

In a world of sensory overload and school, family and internal pressures, kids need meditation as much as adults. Meditation helps kids develop focus, regulate their own emotions and learn how to pay attention. In this class kids will learn fun ways to meditate. They learn easy breathing techniques, mindfulness, self-awareness using simple yet efficient meditations. By planting the seeds of meditation at this young age the kids will be able to better cope with their growing years and adulthood. Omit: 10/12,10/19

FOREIGN LANGUAGES

Spanish 2 (1st-5th) with Paulina Hidalgo

This introductory Spanish class welcomes 1st-5th graders that have very little Spanish language experience, as well as, those with no experience prior to this class. Students can expect to acquire the 50 most used Spanish words through stories and action. Your child will learn the language through stories and repetition using the TPRS method (teaching proficiency through reading and storytelling). This innovative and engaging teaching technique combines reading and storytelling. By the end of the course your child will be able to read and understand a TPRS Spanish novel. About the instructor: Paulina Hidalgo, a Mexican native, has over 7 years of experience teaching Spanish to both children & adults.

12 classes

Location: McKinley Elementary School, 701 Paloma Ave, Burlingame

Interactive Club De Libro (1st - 5th) with Paulina Hidalgo

Bring your child to have a great experience practicing their Spanish. In our Club de Libro, each day is different. Some days we read a book and discuss it reviewing the new vocabulary. Sometimes, together, we make up stories where the main characters are your children. We act, play games, sing, read, and write. The kids feel very comfortable and express freely. We play games, act, and have lots of fun!!! This class is for kids that are comfortable reading and writing in Spanish. About the instructor: Born and raised in Mexico City, Paulina has been teaching Club de Libro for 4 years, majored in Biology in Mexico City, and has over 7 years of experience teaching Spanish to adults and children.

Fall After School Enrichment

ARTS AND CRAFTS

Young Rembrandts (1st-5th) with Young Rembrandts Staff

The fall season is one of the most colorful times of the year. In a Young Rembrandts drawing class, we'll capture all of those colors and more in our fabulous drawings. Our rainbow giraffe seemingly captures the entire spectrum of colors in a very stylized drawing. A fun drawing of cartoon worms and apples will teach our students how to properly color with colored pencils. We'll also take an imaginary journey to Paris as we draw the famous Eiffel Tower. A creepy drawing of a haunted house captures the fun spirit of the season. We'll also take a look at master artist Peter Max as we try to emulate his style. All this and more await your artist in a Young Rembrandts classroom! Sign up today!

Creative Corner (age 5-15) with Rachel Aloycius

Arts & Crafts stimulates a child's creative side, cultivates patience, develops concentration and builds confidence. This fun-filled & hands-on class encourages children to be innovative with items that they could come across in their day-to-day life. Using colors, shapes, and measures this class helps them to stimulate their mathematical skills. Children in this class will learn the basic concepts of Art & Crafts and will be guided towards making their own Art Projects such as Shading, Watercolor, Charcoal, Acrylic, Oil on Canvas, Fabric Art, Sewing, Crochet, Recycled-Art, Flower making, Jewelry making, gift making and MUCH MORE (based on the season & the time of the year). Children are also encouraged to pick their own projects based on their interest! Omit: 10/12, 11/26

Art Enrichment Lessons (age 5-12) with Para La Russa

Unlock your child's potential with the Zdoodle with Mrs. La Russa. Drawing is a fundamental skill of the visual arts and it stimulates both sides of the brain. Students will be exposed to specific vocabulary and broad concepts. Each week, we focus on a new art element (Line, Shape Color, Texture, Value), trying out that element by creating an original work in a new art medium (Draw, Paint, Sculpt, Collage, or Mixed Media). Art enrichment is a wonderful way to create self esteem and build confidence. In this class children will learn through art that there can be more than one solution to the same problem, it also develops hand eye coordination and perceptual development. Being creative is a lifelong skill that can be used in every day solutions. Children are encouraged to try new things and make mistakes in this art class, with the understanding that their art is truly as unique as they are. **6 classes**

SPORTS

Girls on the Run (3rd-5th) with Girls on the Run Staff

Our coaches inspire girls to be joyful, healthy, and confident using a fun, experience-based curriculum which creatively integrates running. Our curriculum has 3 parts: getting girls to understand themselves, value teamwork, and understand how they can influence the world. Each day consists of a discussion-based lesson, active games, and a running workout. At the end of the season the team is physically and emotionally prepared to complete the Girls on the Run 5K in Golden Gate Park scheduled this season for Saturday, December 12th. Elementary School Age Sports

Flag Football & Volleyball (4th & 5th grade)

The Burlingame Parks & Recreation Dept. is proud to offer another season of flag football and volleyball for 4th & 5th grade students currently enrolled at McKinley, Lincoln, Franklin, Roosevelt, and Washington Schools.

Practices and Evaluation Information:

Both sports will be a 2 to 3 days per week commitment. Practice and game schedules will be finalized after registration is completed. REGISTRATION DEADLINE IS: Wednesday, September 9th by 5PM.

**Every effort will be made to place your child on a team, however team placement is not guaranteed after the above registration date.*

If a school has multiple teams, an evaluation date will be held on 9/10, 9/11, or 9/14 to split the team evenly. Participants will be notified by email if their school team will hold an evaluation.

Coaches will notify participants about specific practice dates and times by Friday, September 11th. If you do not hear from a coach by this date, contact the Parks and Rec Department. Practices will take place after school, beginning the week September 14th.

Games:

Flag Football games will take place on Tuesdays & Thursdays at Ray Park (next to Lincoln School) from 3:30-5:30pm. Volleyball matches will be played at BIS on Fridays from 4:00-8:00pm.

All participants will be given a t-shirt to wear at all games and is theirs to keep.

Special Notes:

- Registration is taken on first come/first served basis.
- These programs rely heavily on volunteer coaches to survive, each team will need to provide their own coach(es). If you or someone you know is interested in coaching a team, contact Nicole Rath (650) 558-7308.
- If a school does not have enough participants to fill a team, there is a possibility of adding a combined team from multiple schools after the registration deadline.
- Flag football and volleyball teams are 4th and 5th combined teams.
- Space is limited, so we highly encourage you to sign up early!
- For more detailed information on any of the 3 Elementary Sports visit our website: <https://www.burlingame.org/Index.aspx?page=468>

Washington	80954.01	80959.01		

Got parent coaches?

Contact Nicole Rath at (650) 558-7308 to learn how to become a coach an elementary sports team.

Basketball (4th, 5th grade)

The Burlingame Parks & Recreation Dept. is proud to offer another season of basketball for 4th & 5th grade students currently enrolled at McKinley, Lincoln, Franklin, Roosevelt, and Washington Schools.

Practices and Evaluation Information:

Both sports will be a 2 to 3 days per week commitment. Practice and game schedules will be finalized after registration is completed. REGISTRATION DEADLINE IS: Friday, October 23rd by 5PM.

**Every effort will be made to place your child on a team, however team placement is not guaranteed after the above registration date.*

If a school has multiple teams, an evaluation date will be held the week of 11/2 to split the team evenly. Participants will be notified by email if their school team will hold an evaluation.

Coaches will notify participants about specific practice dates and times by Friday, November 6th. If you do not hear from a coach by this date, contact the Parks and Rec Department. Practices will take place after school, beginning the week November 9th.

Games:

Basketball games will take place on Saturdays and some Sundays at BIS and Crocker Middle School. Mandatory preseason team division placement games will take place the weekend of Nov. 21st and 22nd. Regular season games will begin on December 5th and will continue until Feb 6th 2016.

All participants will be given a reversible mesh jersey to wear at all games and is theirs to keep.

Special Notes:

- Participants must be registered for the school team they attend and for the grade level they are currently in. **No Exceptions.** Failure to comply with this rule will result in removal from the program.
- Registration is taken on first come/first served basis.
- These programs rely heavily on volunteer coaches to survive, each team will need to provide their own coach(es). If you or someone you know is interested in coaching a team, contact Nicole Rath (650) 558-7308.
- If a school does not have enough participants to fill a team, there is a possibility of adding a combined team from multiple schools after the registration deadline.
- Space is limited, so we highly encourage you to sign up early!
