

Tech Time!

Helpful Information for using Technology at Home

March 16th – March 20th, 2015

Dear Parents,

A warm welcome and thank you for visiting another edition of *Tech Time*! Spring is in the air and with this wonderful season comes a time to refresh and energize. For this week I have a super site for you that informs how to revitalize your computer at home. Sluggish performance, goodbye, welcome to some suggestions to speed up your valued friend! At your earliest convenience, follow this [link](#) to see what lays ahead. I hope you find this week's edition helpful for your technology needs at home, and until next time, happy computing and happy spring! ☺

As always, if you have any questions, please feel free to contact me at school. I can be reached by email: scott.friedman@goshenfriends.org or by phone: 610-696-8166.

In friendship,

Teacher Scott
