

## **Beef O'Brady's**

Beef 'O' Brady's, located in Spanish Fort, is a great family friendly sports focused restaurant that offers a suburb variety of items. Opened and owned by the Kessler family, over the last nine years it has been the place to go after little league and/or other sporting events. It has over twenty-five TV's so you are never at a loss to watch any sporting event imaginable.

The Kessler's are very community involved and support the schools and sporting associations along the entire Eastern Shore. In fact, they are hosting a Golf Tournament August 15<sup>th</sup> to support the Spanish Fort Sports Association and Daphne Dixie Youth Baseball. They offer spirit nights where a portion of that night's sales revenue is donated to participating organizations.

The staff is a very dedicated group that is focused on customer service. Several staff members are local high school students, returning college students, and individuals that are interested in being contributing members within the community.

The menu has a great variety of items to choose from. If you enjoy wings then this is the place to come to. Their tacos are also a local favorite. Beef 'O' Brady's offers daily menu specials so you can always find something great to eat at an affordable price.

Beef 'O' Brady's is known for their signature burgers. They have a variety to choose from, including the Beef 'O' Brady burger, OMG burger, and my burger for the evening, the Amarillo Firecracker Burger. All burgers start with a fresh six ounce patty, seasoned with a blend of kosher salt and black pepper, and cooked to your liking. They are served on a toasted brioche bun and a side of fries.

My Amarillo Firecracker Burger included a fantastic blend of smoked bacon, fried jalapenos, pepper jack cheese and sweet jalapeno mayo. I expected hot and instead, it was the perfect the combination of toppings that created that great blend of taste and heat. I rate this burger as an outstanding tasting experience.

Beef 'O' Brady's is a great restaurant that caters to the sports enthusiast and the local community. Thanks to the Kessler family for all they do. I would also like to thank all our chamber members for coming out and participating. Your input and suggestions really help guide us.
