

What's Hot: Important Updates

Engage your patients and practice in advance care planning. We can help.

The MaineHealth Palliative Care/End of Life initiative encourages and supports providers and their healthcare teams to complete Advance Care Plans with their patients.

If you have any questions about Advance Care Planning, contact Deb Silberstein at dsilberste@mainhealth.org.

Care Transitions Coach/Resident Shadowing Program

The Internal Medicine residency program at Maine Medical Center is collaborating with MaineHealth ACO's Care Transitions team to have hospitalist residents shadow Care Transition Intervention® (CTI) home visits. This month-long intervention connects trained CTI coaches with patients who have recently been discharged from the hospital.

If you have any questions about Care Transitions, please contact Beth Ray at RayB1@mmc.org.
