

Lifeline Connections

hope. help. Healing.

Amazon Smile - When you're planning to buy something on Amazon, start at Amazon Smile. After you log in to the same account name you already have set up, they'll ask you to pick a nonprofit. Lifeline's name is already in their system, so just type it in!

Fred Meyer - Help support Lifeline by signing up to have a portion of your purchase donated to Lifeline when you use your rewards card. Link your Fred Meyer Rewards Card to Lifeline Connections. Search for us by our name. You still earn your Rewards Points, Fuel Points, and Rebates, just as you do today.

Good Shop - Follow the links to your favorite stores, (often offering online discounts) and when you order a portion of your purchase price will be donated to Lifeline Connections. This is a simple two-step process and takes only minutes.
