

In adhering to the Wild, Wild, West Theme the Alumni's entry of a "covered wagon" provided a back drop for the over 40 alumni, family, friends, and staff who supported the event by walking the parade route with recovery themed posters made by Lifeline clients. The group was so enthusiastic that they also won the spirit award. Favorite recovery sign: "Don't fall off the wagon!"

To help kick off the opening night of the Camas Farmers Market Lifeline Connections will participate in the Health and Wellness Fair the evening of Wednesday, June 3rd from 3:00-7:00pm. Lifeline is committed to helping improve the health and wellness of residents of all of Clark County and is excited to be expanding into the Orchards area. This fun filled evening will include live music and face painting for kids. Come out and meet Lifeline's Management Team! We look forward to seeing you there!
