

Teacher/Staff Holiday Gifts Made Easy!

Benefits of using RHP/Renaissance Gift Scrip:

- Convenient and easy for parents to order
- Staff get to choose what they really want
- Raises funds to benefit our school

That's a bright idea, but how does it work?

1. Fill in a gift amount for each teacher/staff member that you want to include on the attached Gift Scrip Order Form.
2. Return the order form, along with a check payable to RHP, to the office **BY DECEMBER 11th**.
3. The Scrip Team will present a gift certificate to each teacher/staff member with the total dollar amount gifted, along with a list of families that participated (without detailing the dollar amount per family).
4. The teacher/staff member can then redeem their gift certificate by ordering retail gift cards of their choice through our Scrip program. Our school earns a % of the profits from the retailer, at no cost to you!

*Deadline to order is
December 11th!*
