

Welcome to our Pre-K Family Program!

Events for Parent with child 2-4 years old

Let's explore Jewish holidays and rituals in a fun, hands-on educational and social environment!

Events will include arts and crafts, snacks and stories.

My name is Yelena Pasternak. I started my CBI journey in 1993, as a special needs assistant teacher in religious school. Soon after, I started working as an Early Childhood Educator at Noah's Ark Childcare Center and have enjoyed every moment for over 20 years. I love being a part of such warm and welcoming community where a diverse selection of choices for whole family learning is offered.

Time: SUNDAYS, 9:00-10:30 am (during religious school hours!)

Where: Downstairs in one of the Educational Playcare classrooms. *Please contact Lauren Benthien, Director of Youth Education for more details!*
