

Mandell JCC & The Family Room Parenting Center Present

9th Annual Parenting Conference

For parents with children of all ages

Thursday, May 26, 2016 | 7:00pm | Mandell JCC

"*Parenting for the Genius* gives us space and time to sit back with a good friend who just happens to be an expert in parenting and education, and who guides us thoughtfully through the thicket of parenting challenges that, while expectable and inevitable, often feel less than manageable. You'll come away a better parent for it."

- Madeline Levine, PhD, author of *Teach Your Children Well* and *The Price of Privilege*, and former Mandell JCC Parenting Conference speaker.

"The brilliance of this book is how it blends real-life vignettes and practical advice..."

- Kenneth Ginsburg, M.D., MsED, author *Building Resilience in Children and Teens*, and former Mandell JCC Parenting Conference speaker.
