Toastmasters Happy Hour

JOIN CAI CHAMPIONS

The world needs leaders. Leaders head families, coach teams, run businesses and mentor others. These leaders must not only accomplish, they must communicate. By regularly giving speeches, gaining feedback, leading teams and guiding others to achieve their goals in a supportive atmosphere, leaders emerge from the Toastmasters program. Every Toastmasters journey begins with a single speech. During their journey, they learn to tell their stories. They listen and answer. They plan and lead.
They give feedback—and accept it. Through our community of learners, they find their path to leadership.
Come learn more, and hear some stories from our Toastmasters.

"I used to get butterflies every time I spoke in front of a group, but now I feel confident and comfortable.

Thanks Toastmasters".....Ginger Becker, CMCA, AMS, PCAM, CPM FirstService Commercial
