

Camp Card monies due, Friday, April 22nd unless you checked out your camp cards after the initial sale kicked off. The unsold cards or \$10 per card will be due. The full payment amount will be made to the Council and then Council will deduct your unit payment leaving the unit's 40% commission available in their unit account to pay for camping expenses!

If you didn't participate and would still like to sell camp cards, complete the unit [commitment form](#) with the quantity of cards your unit would like to check out and I will be in contact with you directly!

No risk - No out of pocket expense

Sell a card that pays for itself!

Sell your Camp Cards today! Only \$10 with 40% commission going back to the unit to support the unit's fees for camping experiences in 2016.

If you have a Scout that participates in any spring, summer or fall sports, sell those camp cards to other parents so they can use the one time snap off coupon at Dick's Sporting Goods. Purchase \$50, and \$10 off could be used towards some of those sports equipment supplies! For purchases of \$50 at Marsh, the \$5 off snap off coupon may be used as well as the various multi-use coupons on the backside.

Contact other participating vendors like Culver's to set up a "Support Troop XXX, Day" and hand out those coupons while selling your camp cards. Not only will your unit make 40% commission from the camp card sale, but your unit will also benefit from the "Support Troop XXX Day" and earn 10% of the proceeds on that day. Make the biggest bang for your buck when fundraising!
