

READING SKILLS AND SPEED READING PROGRAMS FOR CHILDREN AND ADULTS

Offered This Summer in Kokomo

Program for 4-Year-Olds and Entering Kindergartners:

Students in this program learn beginning reading skills and develop a love of books. Your child will learn letter recognition, phonics, and sight words, and will learn to read simple words and sentences.

Program for Entering 1st Graders:

In this program students learn to read independently. Your child will learn phonics and sight words, improve comprehension, and gain the skills and confidence needed for success in first grade.

Program for Entering 2nd Graders:

In this program students become fluent independent readers. Your child will make significant gains in phonics and word-attack skills, fluency, and comprehension, and will develop confidence and a love of reading.

Program for Entering 3rd Graders:

Students in this program become strong independent readers. Your child will develop the comprehension, fluency, and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

Program for Entering 4th and 5th Graders:

In this program students make substantial gains in comprehension, long-word decoding skills, fluency, and reading speed. Your child will complete homework more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

Program for Entering 6th-8th Graders:

Students in this program make substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.

Program for Entering 9th-11th Graders:

Students double reading speed, make substantial gains in comprehension, and learn study skills. Excellent preparation for the SAT, ACT, and college.

Program for Entering 12th Graders, College Students, and Adults:

This program will transform your reading skills. You will double your reading speed in difficult material and triple your reading speed in easier material while improving comprehension, concentration, and retention. As a result, you'll save time and get more out of everything you read.
