

# Camp Card Spring Fundraiser

How is your unit financing your camping endeavors in 2016? If you are looking for a way to raise some dollars to fund some of your Scouts' camping expenses, sell Camp Cards! At \$10, it's a bargain for the savings available! In 2016 I've even created two cards this year for those units in North Star District so check out the businesses supporting Scout camping.

Sale Dates: March 11 to April 8, 2016

Payment Deadline: April 20<sup>th</sup> – **Full** payment is due by 5:00 PM. Payments will need to be in check or cash, Debit/credit card payments will be subject to a 3% surcharge fee. The full payment will be deposited to your unit account, then your unit balance will be deducted from your Unit account to pay balance due to Council, leaving your 40% commission available for your camping endeavors.

Unit Commission: Example: Unit checked out 55 cards, returned 5 = 50 cards x \$10 = \$50  
You will pay Council \$50 into unit account then Council will deduct \$30 (60%), leaving Unit's \$20 (40%) commission in account for later use

Once the funds for the commission are in the unit account, the unit can then use those funds to support the camping expenses of the unit by utilizing their unit account. Use it for Summer Camp, weekend Camping or a high adventure trip. Make the summer unforgettable for your Scouts!

If your unit would like to participate, complete the commitment below and email to:
