

AN IMPORTANT NYE UPDATE (2/24/16)

Previously, and early on in the planning process, an invitation was extended for families to join the youth at National Youth Event at Walt Disney World in Orlando. Since that time, some concerns have developed regarding the implications of extending such a wide-reaching invitation to family members. These concerns include programmatic, logistical and financial issues.

Centered in our primary purpose of ensuring that NYE remain the National YOUTH Event in a church and world where youth continually wonder whether or not they have a place – we have adjusted the logistical framework for NYE to ensure that NYE participants have the first privilege of registration and to accommodate with reasonableness families who wish to participate.

We honor the importance of family, and in recognizing that attending an event at Disney holds broad appeal, we have revised NYE family pricing as follows:

- Registration from now until May 1 is open only for NYE participants.
- Beginning May 1, families may register on a first-come/first serve basis.
- Each family member will be charged the advertised \$549.00 registration fee which will include their lodging and a one-day pass to one of the Disney parks. Meals are not included in this package.
- At \$549.00 per person, a family of four will be paying \$2,196 for the family package.
- This requires a minimum of double occupancy for accommodations. Families of more than four will be required to be responsible for a second guest room.

The delayed family registration is intended to allow a period dedicated exclusively for event participants. Please note that the revised family registration package clarifies that family individuals who are not event participants are responsible for meals. This revised family pricing does not pertain to those registered before February 24, 2016.

For questions and additional information, please contact Mr. Lee Foley (foleyl@ucc.org).
