

October 17th is the International Day for the Eradication of Poverty

We invite your church/congregation to use our FREE tool kit to get involved and to help those living in extreme poverty. It includes:

- 1 A Mission Marketplace to raise money for those living in extreme poverty.
- 2 Inspiring sermon outlines to incorporate into a Sunday worship service, either October 11th or 18th, 2015.
- 3 "Life on a Dollar a Day" curriculum to raise awareness of the effects of living in extreme poverty that can be taught in your Sunday School or Bible classes.
- 4 A "Life on a Dollar a Day" activity where members of your congregation commit to spend only \$1.50 per day (for all three meals) to experience the physical effects of poverty, and then donate the total cost of their daily meals to support those living in extreme poverty.
- 5 Focused prayers for the people suffering in extreme poverty that can be used to inspire congregation members to make a special offering.
- 6 A list of scripture texts focused on poverty and the poor that can be used in Sunday School lessons, sermons, Bible classes, etc.
- 7 Newsletter and bulletin templates to inspire and update your congregation and/or church on the activities they can participate in to help those living in poverty.
- 8 Fact sheet on extreme poverty.

To download our FREE Extreme Poverty Kit and to register for your Mission Marketplace, go to www.beadforlife.org/faith.
