2015 Third Grade **Essay/Poster Contest**

Sponsored by the Spokane Association of REALTORS®

The Spokane Association of REALTORS®, this week, announced the winners of its annual Third Grade Essay/Poster Contest on the theme "What my home means to me." The association reports that it received 413 entries from 21 classrooms at 15 area schools, this year, from which four top entries (pictured below) were selected by a judging committee of members.

1ST PLACE: Maisey from Brentwood Elementary.

"My home means a loving family and a place filled with memories. I love my pets more than playing Soccer! My dogs like to chase me and their tails. My silly cat leaps around the house. My home means fun. Outside I ride my bike and dropkick my Soccer ball. My home is filled with love, kindness, caring and happiness."

2ND PLACE: Chloe from Brentwood Elementary.

"Cookies baking in the oven. Smells fill the air. I snuggle up with my family and watch T.V. My home is filled with love, kindness and caring. When I am bored, my mom takes me outside to ride my bike or my scooter. I love my family and my family loves me."

3RD PLACE: Alyssa from Trinity Catholic Elementary.

"My home means a lot to me. I love my home. Family, food and dogs makes me feel at home. Home smells like fresh air. Home feels safe, warn and comfortable. I hear either music or barking dogs at my home. Family is a huge part of home. If you have a family that loves you, you have a home."

4TH PLACE: Ian from Jefferson Elementary.

"The best part of my house is my bedroom. It is quiet where I can read and do things without my brothers bothering me. It also provides space to put my clothes so they don't have to lay on the floor. It holds my bed where I can take time to quiet down and sleep so I'm not grumpy."
