Rally & Press Conference to urge Borough President Stringer: VOTE 'NO' ON NYU'S MASSIVE EXPANSION PLAN!

Borough President Stringer has until April 11 to vote on NYU's massive proposed expansion plan. The plan would undo long-standing neighborhood zoning protections, remove open-space preservation requirements, overturn urban renewal deed restrictions, and give away public open space to the university to allow them to add 2.5 million sq. ft. of space – the equivalent of the Empire State Building – to the blocks south of Washington Square. Join us as we deliver thousands of petition signatures against the plan to the Borough President, urge him to hold a public hearing, and to vote 'NO'!

Thursday, March 22nd at Noon Steps of City Hall

(enter: Broadway and Murray St. or Centre St. and Park Row; bring photo ID)
