

Medical Equipment Prospectus

Eunice Gibson Polyclinic Warrens

The Eunice Gibson Polyclinic, Warrens, was established in April 1976, and renamed in honour of the late Eunice Gibson, a nurse, who founded the Barbados Registered Nurses Association in 1936 and a number of other nursing associations. It was the first facility to be given the designation polyclinic, offering multiple services under one roof.

The BIBA Charity has launched this fund-raising appeal, to assist the polyclinic in providing the very best facilities and equipment to patients across Barbados.

Eunice Gibson Polyclinic Warrens Medical Equipment Needs

Immediate Requirements – 2016 to 2017

We need your help to improve all aspects of healthcare in Barbados, over and above the core services provided by the Government. By contributing to this appeal, you can help enhance and improve the quality of patient care and services available for individuals and their families in our community.

The BIBA Charity

The BIBA Charity was established in 2010 as a way for members of the international business community to contribute to the social welfare of Barbados.

The goal of the charity is to provide a simple mechanism for businesses and their clients to give back to institutions that have existing funding requirements and are already active in serving a broad segment of Barbadian society. Facilitating giving in a collective way also allows for the international business community's contributions to Barbados to be better measured.

The public healthcare system of Barbados has been identified as the Charity's beneficiary. Through the BIBA Charity, tangible goods and equipment that our charitable donations can assist with immediately, will be purchased, thus saving time and administrative cost and most importantly, helping those in need right away.

The Charity is registered under the Barbados Charities Act and donations made to the Charity are tax deductible for corporate donors.

How You Can Make A Donation

You may choose to donate money for specific items and medical equipment or make a general monetary donation that will go towards the refurbishment of the polyclinic.

We can help you to select an appropriate item or piece of equipment and can provide descriptions of the items listed. The polyclinic also needs equipment, and supplies and additional items which are not listed.

Contact Us

For additional details on helping us build a better polyclinic for our community please feel free to give the Charity Trustees a call. Make all donations payable to **"BIBA Charity"** at **BIBA's offices, 19 Pine Rd, Belleville, St Michael.**

No donation is too small and every dollar counts towards our goal of better healthcare in Barbados.
