On March 27, 2015, Governor Brown approved a \$1 billion emergency drought relief package to take effect immediately. As a result of the Governor's action, the State Water Resources Control Board (State Water Board) approved \$19 million in funding from the Cleanup and Abatement Account to meet interim emergency drinking water needs for those communities with a contaminated water supply or that suffer drought related water outages or threatened emergencies. Eligible projects include Bottled Water; Well Repair, Well Rehabilitation, and Replacement; Vending Machines; Point of Use Devices (for example, Filtration); Hauled Water; Emergency Interties; and Treatment Systems.
