Dear Colleagues in Ministry,

Trinity Presbytery's Manual of Operation states that the Committee on Ministry shall exercise responsibility for the professional development of Teaching Elders. It also states that the Committee is responsible for the pastoral care and support of church professionals, for developing opportunities for fellowship and guidance, and for attending to the emotional, spiritual, and physical well-being of these persons and their families.

In seeking to fulfill these responsibilities and to determine the needs of each teaching elder in Trinity Presbytery, the COM has developed the attached ministry survey. It is our hope that this survey will enable the Committee to be of greater assistance to our clergy and to enhance their ministry to the churches which they serve.

Please download the questionnaire, complete it and send it to the presbytery office by December 20, 2015. You may submit your completed form one of two ways: by e-mail attachment to trinitypresbytery@gmail.com or by USPS, using the address above. Be sure address the envelope to "COM." The completed survey will be confidential with only the Presbytery Executive, the COM chair and the chair of the Administrative Subcommittee of the COM having access.

You may complete the **Annual Survey for Teaching Elders in Congregations** online by [clicking here](#).

Thank you in advance for your prompt response to the survey,

The Committee on Ministry of Trinity Presbytery
